

Jadon Leininger

(479) 220-1910 - jleininger@student.neumont.edu - <https://www.linkedin.com/pub/jadon-leininger/91/b81/815>

Driven Front End Developer with a Passion for Innovation

Core Competencies	Development Tools	Technical Skills
<ul style="list-style-type: none">▪ HTML5, CSS3, and Javascript▪ React.js▪ jQuery▪ C#▪ Xamarin Android▪ Java▪ T-SQL	<ul style="list-style-type: none">▪ JetBrains Webstorm IDE▪ Microsoft .NET Framework▪ Visual Studio 2012▪ MEAN Stack (MongoDB, ExpressJS, AngularJS, and Node.js)▪ Adobe Photoshop▪ Adobe Illustrator	<ul style="list-style-type: none">▪ OOP (Object-Oriented Programming)▪ Event Driven Programming▪ Web Design▪ Database Design▪ Application Design

Project Experience

Project	Roles & Responsibilities	Date
Workfront Enterprise Project Real world work experience on a professional team	Front End Developer <ul style="list-style-type: none">▪ Used Jasmine to test AngularJS controllers, services, and directives.▪ Worked with a professional team on a real world application.▪ Learned and implemented proper JavaScript testing practices. <i>Technologies: Jasmine Testing Framework, AngularJS, LESS stylesheet language, IntelliJ IDE</i>	8/2015
Capstone Project Xamarin Android multiplayer, networked game with a MEAN stack back end.	Full Stack Developer <ul style="list-style-type: none">▪ Built Android application in C# using Xamarin Android.▪ Built custom sever using Node.js, ExpressJS, with a MongoDB database.▪ Deployed sockets (UDP and TCP), Android Services, and RESTful web services to connect Android app to server. <i>Technologies: Xamarin Android, Android SDK, Android Services, C#, Web sockets, MEAN stack, Windows Server 2012</i>	6/2015
React JS Chrome Extension A bookmarking extension that allows users to save pages, pictures, videos in their brower.	Front End Developer <ul style="list-style-type: none">▪ Built a custom Chrome extension using Google's Chrome API.▪ Learned to properly utilize React JS for a responsive UI. <i>Technologies: React JS, Google Chrome API, HTML5, CSS3</i>	
ASP .NET Website Social networking website built using C# with MVC 5 and SignalR.	Front End Developer <ul style="list-style-type: none">▪ Led and developed the majority of front end HTML, CSS, and JavaScript of website.	2/2015

	<ul style="list-style-type: none"> Worked with team to develop back end code for website. <p><i>Technologies: ASP .NET MVC 5 Framework, Visual Studio 2013, C#, SignalR</i></p>	
J2EE Website A chat website made using Java Servlets.	Front End Developer <ul style="list-style-type: none"> Developed Responsive web pages Developed a strong back end to service the front end <p><i>Technologies: Java J2EE, Apache Tomcat, Eclipse IDE, HTML5, CSS3, JavaScript</i></p>	11/2014
Java Android Application A pong game where the table was displayed on a computer screen and the paddles were two Android smart phones	Team Leader <ul style="list-style-type: none"> Built a majority of the back end code to run the game on the PC. Built the code to allow communication between the Android smart phones and the PC. Helped design the user interface along with the look and feel of the application. <p><i>Technologies: Java, JavaFX, Eclipse IDE, Android SDK, XML</i></p>	2/2014

Education

Bachelor of Science in Web Design and Development
Neumont University

Expected 3/2016

Honors/ Awards

- President's List (7 times recipient) Jan 2014 – Sep 2015

Activities

- Neumont Incubator 5/2015 – Present
- Senator for Neumont Student Government 1/2014 – 9/2014
- Neumont Business Leaders 10/2013 – 7/2014
- High School Band 9/2011 – 5/2013

Certifications

- Code School: shaping-up-with-angular-js 2/2015
- Pluralsight: Building AngularJS and Node.js Apps with the MEAN Stack 3/2015
- Pluralsight: React.js: Getting Started 6/2015
- Pluralsight: Building Applications with React and Flux 8/2015
- Scrum Utah: Scrum Master 9/2015
- Digital-Tutors: Beginner's Guide to 3ds Max 9/2015

Additional Information

Has developed several small video games for both the Windows and Android Platforms. Currently has two applications available for purchase on Google Play.
